

Calming Spray

POWERED BY

PHEROMONES FOR A CALMER DOG

What is ThunderEase® Powered by ADAPTIL®?

When new pups are born, their mother naturally emits pheromones that give the puppies a sense of security and comfort. These pheromones help dogs bond to each other and their mom. ThunderEase® replicates these pheromones for a drug-free, vet-recommended calming solution that may help reduce unwanted behaviors like destructive chewing and problem barking. ThunderEase® is powered by ADAPTIL®, the #1 Vet Recommended solution that helps your dog feel calm and relaxed in stressful situations.

Please read before using any ThunderEase products.

THUNDEREASE SPRAY

Analogue of Dog Pheromone..... 2%
Isopropanol q.s. 60 mL

The effect of ThunderEase® Spray lasts 4-5 hours. Each 60 mL bottle delivers about 30 applications (+/- 8 Sprays/use).

★★★★★
Works wonders for anxiety

We've tried everything to help our rescue dog with his anxiety. The calming spray provided an instant difference in his nervous behaviour. He was calm and happy and even let my father-in-law pet him!

-Tiana W.

THUNDEREASE® MAY BE EFFECTIVE FOR:

- Fear of loud noises like thunder and fireworks
- Uneasiness in a new home or environment
- Stress when socializing or during training
- Destructive chewing
- House-soiling (or "uh-ohs" as we like to call them)
- Travel anxiety such as shaking, vomiting, panting, agitation, and salivation
- Stress when visiting the vet
- Anxiety when boarding or kenneling
- Stress caused by changes in the environment like new furniture or remodeling

Usage Instructions: ThunderEase Spray is great for using at home or on the go! Use 8-10 pumps directly on objects, your kennel, or car. Let sit for 15 minutes before introducing your dog. Respray every 4-5 hours as needed.

ThunderEase can be used with a ThunderShirt! Spray 2-3 bursts on the ThunderPatch for maximum calm.

Dog behavior is often complicated and all dogs are unique, so results may vary. ThunderEase® is only detected by dogs and is appropriate for any age, from puppies to older dogs. ThunderEase® is NOT recommended for hyperactivity or aggression. For best results, use for a full 30 days. If additional behavior modification is needed, seek advice from your veterinarian or professional trainer. ThunderEase® may be used in conjunction with medications or other treatments (like ThunderShirt®!). ThunderEase® is NOT a veterinary medicinal product. Consult your veterinarian if there are signs of disease.

WARNING: FLAMMABLE. EYE IRRITANT. May cause drowsiness or dizziness.

Keep out of reach of children. Keep away from heat, sunlight and ignition sources. Do not smoke during use. Avoid contact with eyes. If sprayed in eyes, rinse continuously with water for several minutes. Avoid breathing vapors. If ingested, do not induce vomiting. Do not spray directly on dogs. Store in a well-ventilated cool place. Dispose of container in accordance with local regulations.
