

ThunderEase®

Multi-Cat Calming Pheromones

POWERED BY

PHEROMONES FOR CALMER CATS

What is ThunderEase® Powered by FELIWAY®?

When new kittens are born, their mother naturally releases a pheromone from her mammary area that helps kittens feel secure and more comfortable. These pheromones help kittens bond to each other and their mom. ThunderEase® powered by FELIWAY® replicates these pheromones for a drug-free, vet-recommended calming solution that helps reduce conflict between cats living together, and prevent signs like fighting, chasing, blocking, and staring.

THUNDEREASE PLUG-IN & REFILL

Analogue of Maternal Cat Pheromone..... 2%

Isoparaffinic Hydrocarbon 48 mL

Each 48 mL vial lasts up to 30 days and covers 700 sq ft.

THUNDEREASE® HELPS MANAGE:

- Multi-Cat Tension & Conflict
- Fighting
- Introducing New Cats in the Home

IMPORTANT SAFETY INSTRUCTIONS

Read all the instructions before using the product. This is not a toy. Intended for adult use only.

When using electric products, basic precautions should always be followed, including the following:

To reduce the risk of injury, close supervision is necessary when a product is used near children. DO NOT put fingers, hands, metal or foreign objects in the product. There are NO user serviceable parts of this device. DO NOT attempt to refill the pheromone with liquids or substances. If the diffuser unit blocks the 'TEST' or 'RESET' buttons of a GFCI receptacle, it is recommended that the unit be removed from the outlet monthly and the GFCI be tested before plugging the electric diffuser back into the outlet. The internal parts of this device will get very hot to encourage evaporation of the active ingredient. DO NOT touch these surfaces during use. To avoid damage, DO NOT plug below any electrical device, under furniture, or under any prominent object from the wall. **MINIMUM CLEAR DISTANCE above diffuser = 4 ft (1.20m).** DO NOT disassemble diffuser unit or modify the plug in any way. DO NOT plug in sideways or upside down. DO NOT immerse in water. DO NOT cover or place under furniture. This may impair or block diffusion of the product and leave residual marks.

Replace the diffuser plug-in every 6 months. Use ONLY THUNDEREASE Refills.

ThunderWorks will not be held responsible for damage, injury or poor performance caused by use of any other refills in ThunderEase Diffusers.

SAVE THESE INSTRUCTIONS.

Usage Instructions: Simply plug ThunderEase Calming Diffuser in the room in which your cats spend the most time. Replace refill when vial is empty or after 30 days, whichever comes first.

Diffuser Power Light: When plugged into a functioning outlet, a light on the diffuser will indicate that the diffuser is receiving power. If the indicator light does not turn on, check to ensure the outlet is functioning properly by plugging a different working device into the outlet (e.g., a lamp). If the diffuser light still does not turn on, please contact ThunderWorks Customer Service at 866-892-2078.

Leave at least 4 ft. clearance around diffuser. Do NOT plug under or behind furniture or fixtures.

Replace DIFFUSER HEAD every 6 months.

Diffuser does get hot. This is normal for proper evaporation. Use only in properly functioning 120-volt electrical outlet. DO NOT use with power strip, extension cords, or an adapter converter.

Always place with diffuser head ABOVE refill bottle, not sideways or upside down.

Cat behavior is often complicated and all cats are unique, so results may vary. ThunderEase® is only detected by cats and is appropriate for any age, from kittens to older cats. For best results, use for a full 30 days. If additional behavior modification is needed, seek advice from your veterinarian or professional trainer. ThunderEase® may be used in conjunction with medications or other treatments (like ThunderShirt®). ThunderEase® is not recommended for overt aggression towards owners. ThunderEase® is NOT a veterinary medicinal product. Consult your veterinarian if there are signs of disease.

DANGER. HARMFUL OR FATAL IF SWALLOWED.

Call physician immediately. Do not induce vomiting.

Contains petroleum distillates (i.e. Isoparaffinic Hydrocarbon).

KEEP OUT OF REACH OF CHILDREN.

Read label and insert prior to use. Store in a well-ventilated area. Dispose of contents/container in accordance with local regulations.
