ABOUT US

IKON MOBILITY by REDGUM Brand has been created through the consistent demand from the supporters of the REDGUM Brand range to bring an innovative line up of battery powered electric mobility devices to the market. The REDGUM Brand has now been servicing the needs of customers since 2010 with an ever growing range of healthcare equipment and the IKON MOBILITY range will allow us to service & supply the needs of the market with the latest battery powered electric mobility products available.

REDGUM Brand has been associated with electric mobility devices for nearly 30 years through its parent company FOR-DE Group Pty Ltd, where they have been distributing a leading mobility device brand exclusively during this period. We have a very experienced team that know battery powered mobility and have the resources to back up the IKON MOBILITY Range as we increase the number of exciting models in the near future.

With warehouse locations in Perth & Sydney and a dedicated sales & service team IKON MOBILITY by REDGUM Brand are ready to assist with your battery powered electric mobility needs.
