- Digital speedometer/odometer
- Full suspension system
- High-back, adjustable seat
- Powerful front/rear lighting kit
- Large rear storage pod (pictured below)

Rear storage pod

¹Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tyre condition.

²Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).

³Total weight is measured with maximum 100amp batteries.

Note: All specifications are subject to change without notice

The information contained herein is correct at the time of publication; due to the manufacturer's commitment to constant improvement and development, they reserve the right to alter specifications without prior notice.

Theoretical range is calculated under test conditions in accordance with European standards. Actual range in normal use will depend on many factors, including the condition of the vehicle and its batteries, the weight of the driver, correct tyre pressures, ambient temperature, and the gradient and surface of the road or pavement.
