

GUITAR STRING BRACELET SIZING

Print this sheet* • Grab a piece of string • Find your bracelet size.

BRACELET SIZING INSTRUCTIONS:

- This bracelet has a clasp and allows for a snugger fit.
- Wrap the string around your wrist where you'd like your bracelet to sit and add about a half an inch (you don't want your bracelet too tight).
- Example: My wrist is 7 inches, so I will order a 7.5 bracelet that will be 7.5 inches, including the clasp.

*uncheck scale to fit page before printing
