

# CHRISTMAS PUZZLE

Solve the Christmas edition math problem:

$$\begin{array}{c}
 \text{Snowman} + \text{Snowman} + \text{Snowman} = 12
 \end{array}$$

$$\begin{array}{c}
 \text{Gingerbread} + \text{Gingerbread} - \text{Snowman} = 6
 \end{array}$$

$$\begin{array}{c}
 \text{Ornament} + \text{Snowman} - \text{Gingerbread} = 5
 \end{array}$$

$$\begin{array}{c}
 \text{Gingerbread} + \text{Ornament} + \text{Snowman} = \boxed{\phantom{000}}
 \end{array}$$
