

# WHOLESALE PRICING

To qualify for Blonyx wholesaler pricing, a minimum of €280 spend is required.

## HOW TO USE THIS PRICING SHEET:

- 01** Calculate the retail price of the order you wish to place (e.g. a 12 unit case of HMB+ Creatine is 12x€57 = €684).
- 02** Check which discount rate applies (The example order would qualify for a €500 and above 35% discount rate).
- 03** Multiply the discounted rate / unit by the number of units 12x€37.05 = €444.6
- 04** To get above the next discount tier, add more product, apparel and accessories.
