

WHOLESALE PRICING

To qualify for Blonyx wholesaler pricing, a minimum of £200 spend is required.

HOW TO USE THIS PRICING SHEET:

01 Calculate the retail price of the order you wish to place (e.g. a 12 unit case of HMB+ Creatine is 12x£43 = £516).

02 Check which discount rate applies (The example order would qualify for a £350 and above 35% discount rate).

03 Multiply the discounted rate / unit by the number of units 12x£27.95 = £335.4

04 To get above the next discount tier, add more product, apparel and accessories.
