St. Simons Island, GA 31522

I would like to receive a store/website credit and understand it will be issued via email.

I would like to exchange this item for _____

Comments/Explanations _____

Things to remember:

- ~Shoes scuff very easily on any hard surface. Always try-on shoes on carpet.
- ~Most hand-crafted items such as glassware or hand painted items have slight imperfections due to the nature of their unique qualities. Most imperfections will pass quality control and therefore will not qualify for replacements.
- ~Knit items can snag easily. Please use caution when trying-on delicate items.
