

BACKEDBYBEES

Backed By Bees
6214 Appleby Line
Burlington, ON L7M 0P7
+1 905-320-6214

Important Booking Details including Cancellation Policy:

- Price is per individual.
- The experience is limited to 10 people and will run with a minimum of 5 people. If minimums are not met you will be notified the day prior and provided with a full refund.
- Children are welcome and protective equipment will be provided. Children under 5 are free, but please let us know they are coming by leaving a note upon checkout or sending us an email at info@backedbybees.com.
- Cancellations or re-bookings can be made up to 5 days prior to the event date. After this time, you will forfeit the entire price of the tour if you are a no-show or cancel.
- In the event of inclement weather, including rain, we will notify you the evening before the event and re-book the experience.
- Please, do not bring any pets. For safety reasons, we cannot permit pets on this tour and you will be asked to keep them near the main building. If you have a certified pet for an accessibility reason, please inform us at info@backedbybees.com and we will work with you on your individual needs.

Know Before You Go:

Important information including recommended attire and tour details:

- Tour is held at the BackedByBees Retail location on 6214 Appleby Line, Burlington.
- Please plan to **arrive 15 minutes prior** to the tour start time and check-in at the retail counter. You will be required to sign a waiver form.
- You will be around live honey bees. Stinging is always a possibility. You will have the option to get as close or stay as far as you would like from the colony. Our staff have epipens available if needed.
- Wear closed toed shoes and well fitted clothing. You will be walking on a wood-chip path and will be outdoors for the entire tour.
- It is encouraged for individuals with long hair to wear it tied up and back
- Protective equipment will be available for anyone who wishes to wear it.
- Also, best to avoid bananas on the day of the experience...any idea why? Make sure you ask the beekeeper!
