CLASS FINISHERS

50 Class Finisher Cards

Students can pick from the class finisher cards and complete an activity after they finish their work. They are a quick way to encourage students to be independent and stay on task with an engaging activity. The class finisher cards are editable, giving you the option to change what the card says to fit the needs of your classroom.
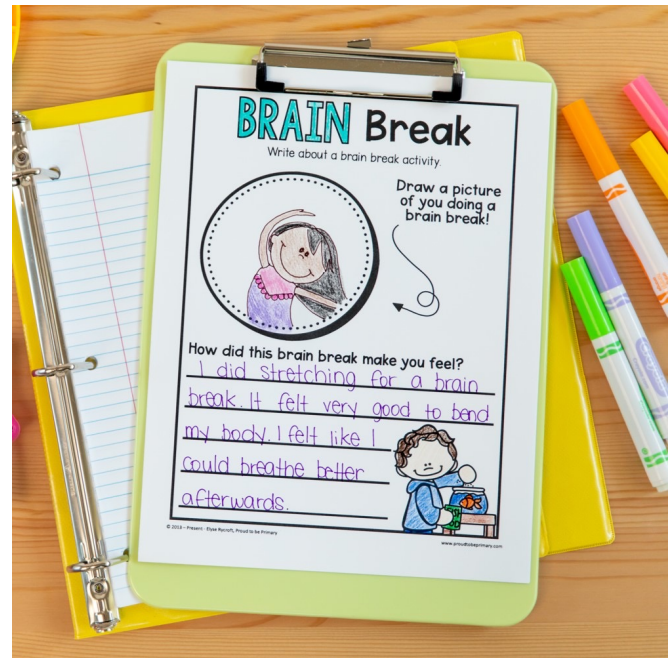

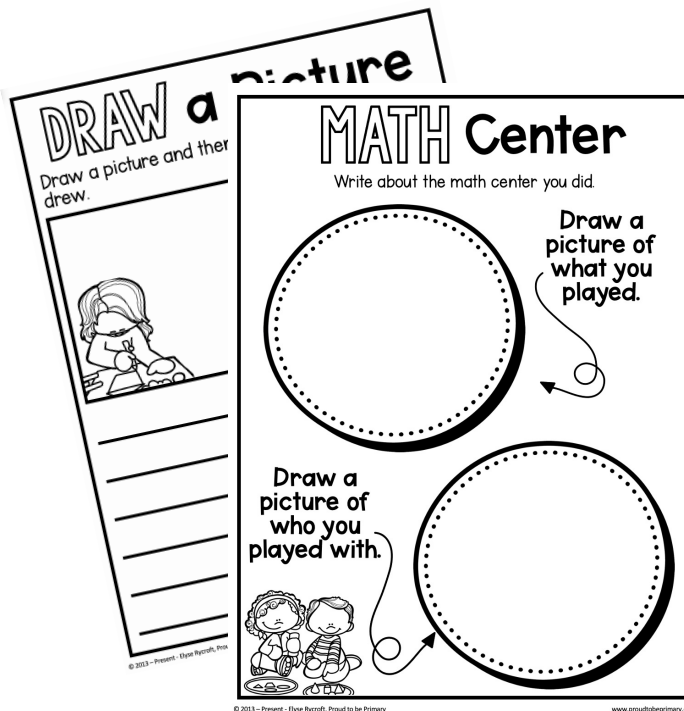

CLASS FINISHERS

Cards with Descriptions

Students use the class finisher cards with descriptions to find out exactly what they should do for each activity. Each description is editable, giving you the ability to customize each card to fit your needs. Place the cards on a ring or place with the activity templates for kids to grab and go!

CLASS FINISHERS

Printable Templates

46 of the class finisher cards has a printable activity template that goes along with it. This gives students something extra to complete after finishing their activity to keep them engaged and on task during class.
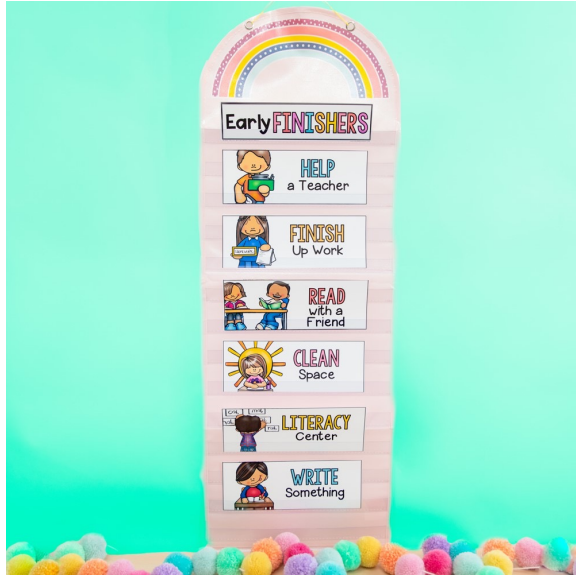

CLASS FINISHERS

Bulletin Board Headers & Posters

Bulletin board letters, headers, and posters are available to help you create an area that works best for your classroom space and your students. There are black & white versions available, as well as color.

Different Ways to Set Up Class Finishers

Set up your class, fast, or early finisher space on a bulletin board or in a pocket chart to make cards easy to read and choose for students.

Add cards to a binder ring, allowing students to quickly pick an activity they'd like to do themselves.
