How to Use

Take time at the end of the year to remember all the fun memories and many accomplishments throughout the year by making a memory book with your students. Come together as a class and discuss all the memories from the year. Have students create a memory book by filling in the pages you select. There are two cover options and multiple pages to choose from, so you can select which works best for your kids.

Digital Memory Book

Complete the memory book pages digitally by filling in the sections on the Google Slides or PowerPoint version (both included). Alternatively, print the color slides to create a colorful memory book for kids to fill in and add photographs to complete.
