# ACTIVITY #2 - Thankful Turkey

## Goal

To discuss things that students are thankful for and then complete a turkey themed activity to show.

## Materials

- Thankful turkey templates
- Turkey feathers (two orientations for going around the turkey head)

## Instructions

1. Discuss what it means to be thankful together. Take turns sharing different things that you are thankful for in your home, in the classroom, at school, and in the community.

2. The teacher will provide different template options to complete this activity:

**I'm So Thankful template with sentence starters**- Students will use the sentence starters to write what they're thankful for. They will then color a turkey head and plain feathers and attach it to the top of the paper.

**I'm So Thankful Template WITHOUT sentence starters**- Students will write what they're thankful for on different turkey feathers. They will then pick a few to write about on the lines of their paper. They will attach the turkey head and their thankful feathers around the turkey head.

# Fall SEL

## DIGITAL SEL ACTIVITIES

Many of the activities from the paper version have been created in a digital version. These are ready in Google Slides for use in Google Classroom. The digital pages are great for use during remote teaching, distance learning, and in a one-to-one classroom!

# Teachers Love This SEL Resource

Ayah A. 

"I love this resource! With multiple different activities to choose from in one topic and being able to modify (adding to the activity), it's super helpful. I used it year round and was able to stretch one activity across multiple days."

Our SEL resources are enjoyed in thousands of classrooms worldwide!
