Fact Code Chart

0	1
2	3
4	5
6	7
8	9
10	11
12	13
14	15
16	17
18	19
20	21

facts to 10 ♥ facts to 20 ♥ 22 no-prep pages

MATH in a MINUTE Fact Codes

What's Included in this Resource

- ♥ 22 worksheets for addition and subtraction practice
- ♥ Pages with facts to 10 and 20
- ♥ Generic themes for anytime use
- ♥ Great for a differentiated independent math activity
- ♥ Use for early finishers during math time
- ♥ Send home for homework

MATH in a MINUTE Fact Codes

22 Math Fact Codes

This resource includes 22 print and go pages with both addition and subtraction facts. Pages include fact practice to 10 and 20 for easy differentiation for your students. Students will use the code chart to write the equation and then solve. A fun math worksheet for your math block!

• to 10 Fact Code

Name: _____

Directions: Solve the equations below. Use the Fact Code Chart to find the addends in each equation. Write the equation and the sum.

	+		=	
	+		=	
	+		=	
	+		=	

- to 20 Fact Code

Name: _____

Directions: Solve the equations below. Use the fact code chart to determine the numbers in each equation and write the difference.

	-		=	
	-		=	
	-		=	
	-		=	

Use the codes below to solve the problems on your paper.

	1		2		3		4		5
	6		7		8		9		10
	11		12		13		14		15
	16		17		18		19		20
