GINGERBREAD Fun Pack

Posters & Bulletin Board

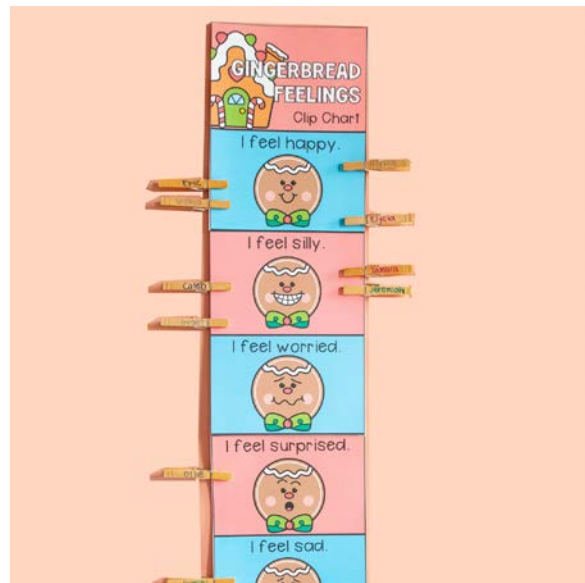

Display student work this winter using the provided bulletin board letters and posters to create the "We're One Smart Batch!" display. Use the included student gingerbread name cards with your writing prompts and anything you want to display.

GINGERBREAD Fun Pack

Feelings Chart

Display your gingerbread feelings clip chart and have kids check-in emotionally every day. A great activity to add to your morning routine to encourage kids to recognize their feelings and the feelings of their classmates.

GINGERBREAD Fun Pack

Gingerbread Vocabulary

Display gingerbread-themed vocabulary words for students as they write this winter. These also provide creative ideas to add to stories. Gingerbread words are included in strips and cards (color and black & white) to add to a ring or use in a pocket chart. There are also word sheets for students to draw and write a definition for a student-created display.

GINGERBREAD Fun Pack

Writing Prompts & Headers

Choose from a variety of different writing prompts to make writing fun this winter! Kids can select from four different writing craft toppers to add to the top of their writing prompts. These activities encourage and build creative writing skills as you learn about gingerbread.

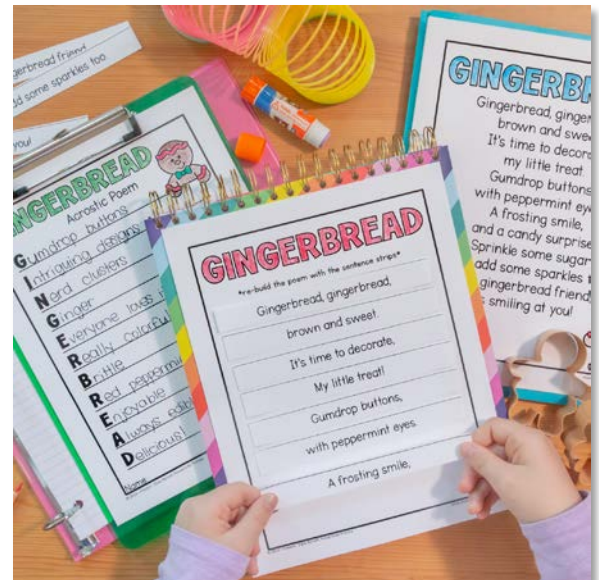

Read the book *How to Catch a Gingerbread* with your students and use the included activities for a gingerbread disguise project. The activities include writing prompts, parent letter, and craft for students to use to create a disguise. Includes a variety of paper costumes to use or kids can be creative and make their own disguise.

A gingerbread man cutout is placed on the left side of the page. It is a brown cookie with a smiling face, wearing a light blue t-shirt with a small logo, tan shorts, and white sneakers with black laces. To the right of the cutout is a 'WANTED' poster. The poster has a black header with the word 'WANTED!' in white. Below the header, the following information is written: Name: Julius, Height: 10", Age: 1 year, Description: Julius likes to pretend he is a famous basketball player despite his small stature. He wears all Adidas clothes. To the right of the text is a small illustration of the same gingerbread man cutout, but it is holding a basketball in its right hand and has a determined expression. The poster is set against a background of a rainbow-colored striped paper. The entire scene is set on a wooden surface, with several colored pencils (pink, orange, yellow, green, blue) and a yellow and pink spiral notebook visible in the background.

GINGERBREAD Fun Pack

Poetry Activities

Read the gingerbread poem together. Use the activities included and have students rewrite the poem and interact with the poem in different ways. Differentiated pages are included so you can pick and choose what would work best with your students. Additional gingerbread acrostic poem template is included.

GINGERBREAD Fun Pack

All About Gingerbread Booklet

Use the All About Gingerbread booklet to extend your gingerbread learning this month. There are nine pages to complete, with activities on gingerbread ingredients, describing their own gingerbread house, and more. Pick and choose which pages you'd like or use them all. Great for a gingerbread-themed week!

GINGERBREAD Fun Pack

Gingerbread Crafts

Create a keepsake gingerbread ornament using the included template. Pop a hole in the top and lace with string or use as a bulletin board decoration with a little writing prompt!

Create a foldable 3D gingerbread house using the included templates. Decorate a gingerbread house or use the pre-decorate house and color. Cut out, fold, and glue. Use the additional pieces to create a gingerbread house scene.

GINGERBREAD Fun Pack

Life Cycle & Parts of Gingerbread

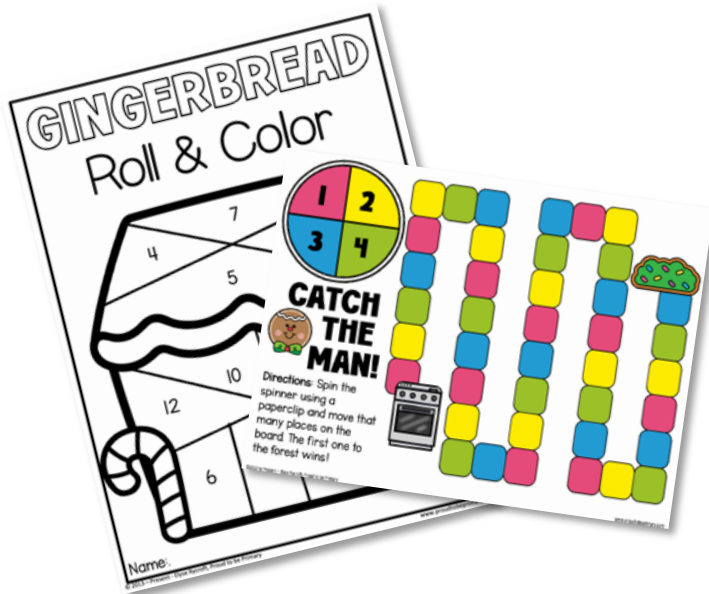

Read the 'Gingerbread Life Cycle' info sheet together. Kids can answer comprehension questions about the info sheet on a worksheet independently or together as a class. Also included are gingerbread life cycle flap book crafts to create when learning how gingerbread men are made, as well as labeled diagram materials to learn the parts of gingerbread.

GINGERBREAD Fun Pack

Gingerbread Games

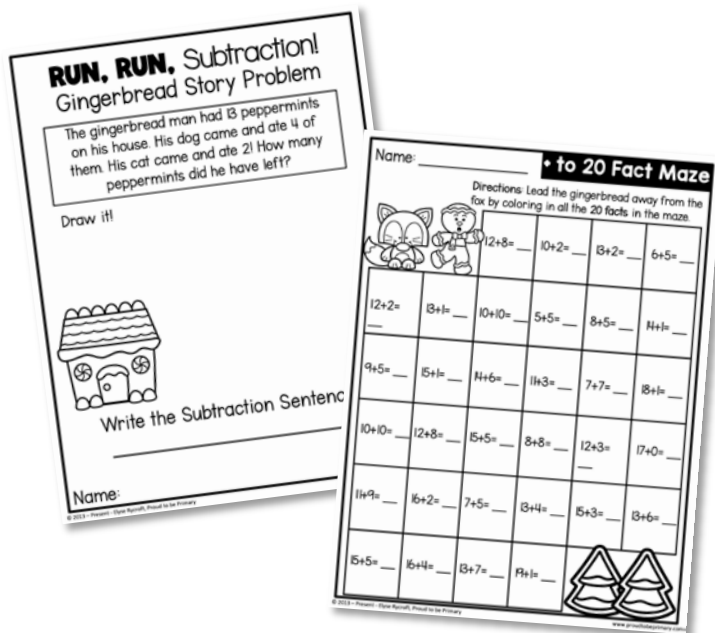

Use the 3 gingerbread games as partner activities, time fillers, centers, or fun anytime activities to help kids practice their math skills. They are also the perfect addition to your winter party or gingerbread week plans. The 3 games included are Gingerbread Eye-Spy, Gingerbread Roll and Color, and Catch the Man board game.

GINGERBREAD Fun Pack

Math Activities

Use the gingerbread-themed math activities as centers and independent activities. There are three differentiated number center activities are included. There are also no-prep pages to teach addition and subtraction, as well as a gingerbread math fact scavenger hunt.

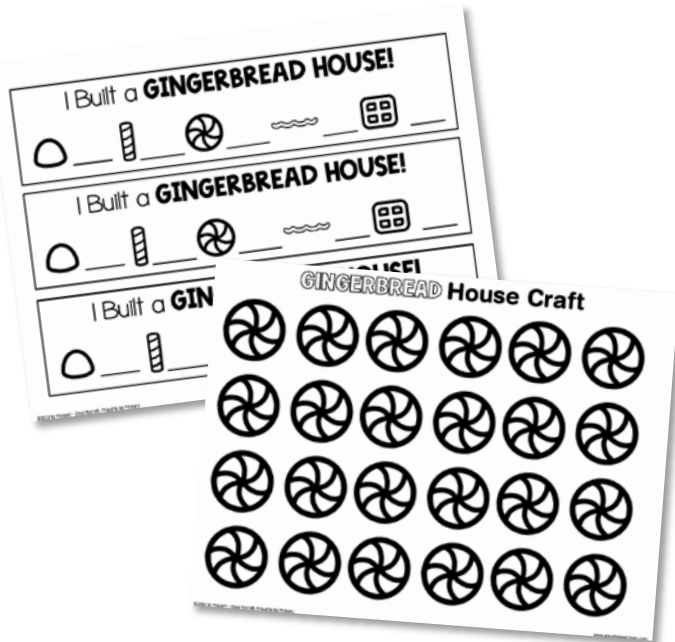

GINGERBREAD Fun Pack

Math Paper Bag Craft

Kids will love creating a paper bag craft. Use the included templates to create a gingerbread house on a paper bag.

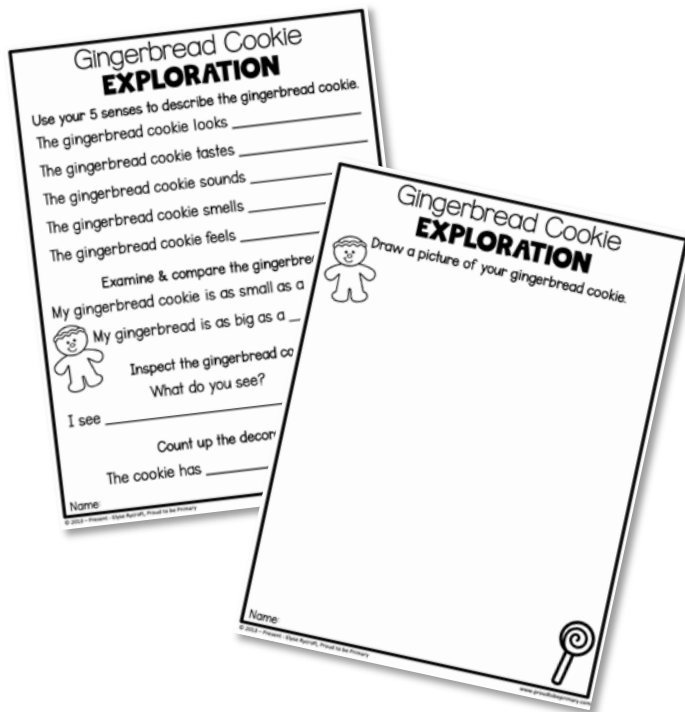

Simply cut out and decorate the gingerbread house (paper bag) using a selection of the included “candy”. Then, record how many of each item was used on the paper recording sheet.

GINGERBREAD Fun Pack

Gingerbread Cookie Exploration

Explore gingerbread cookies with a fun hands-on activity! Eat, describe, and draw the gingerbread cookies using the included templates. A fun group or independent activity for the holidays or a holiday party.

GINGERBREAD Fun Pack

Gingerbread STEM

Mix in 3 STEM activities in a fun way: Gingerbread Trap, Gingerbread House STEM, and Candy Tower. Encourage kids to predict how tall they can create a gumdrop tower, what will happen when gingerbread cookies are dropped in different liquids, or what kind of gingerbread house they can make out of different classroom objects.
