SEL MORNING MEETINGS

Greetings

The classroom meeting begins with a greeting. The class greets each other briefly, in a friendly way. Each greeting brings us the class together into a circle. This is a quick way to connect and foster community!

SEL MORNING MEETINGS

Sharing

The classroom meeting continues with sharing. The class reads the question or directions provided. This is a time to share thoughts and opinions openly, while listening respectfully. This is a nice way for everyone to get to know each other better!

SHARE

Tell us about a time you touched a bug. How did it make you feel?

SHARE

"Think-Pair-Share" with a partner about losing. How does it feel and what are some ways to handle it?

SHARE

Share something you are grateful for that flies.

SHARE

Tell us about a time you had a hard time focusing at school. Why was it hard? What would help next time?

SHARE

"Think-Pair-Share" with a partner kind words you can say to someone who is afraid.

SEL MORNING MEETINGS

Activities

The classroom meeting continues with an activity. These are short, energetic activities that get the class moving their bodies and playing as one. The activities bring everyone together to play games, move, act, dance, work together, and have fun!

ACTIVITY

For today's "mindful meditation", we will think positive thoughts. Sit up in a comfortable way. Be still, close your eyes and take deep, slow breaths in and out through your nose. Think of everything that makes you different and special. Say to yourself "I am special".

ACTIVITY

For today's "mindful movement", we will move around the room like bugs in spring.
Eg. Butterfly, Bee, Ladybug, Grasshopper

ACTIVITY

QUOTE OF THE WEEK

"It's okay to not know, but it's not okay to not try."

Think about the quote and share with a partner what you think this quote means. Share your thoughts and discuss with the class. Write the quote on a piece of paper and decorate it. Bring it home to share with your family.

ACTIVITY

ROLE PLAY
Act out being responsible in this situation:
A friend is having a hard time on the work you just finished.

ACTIVITY

IF YOU REALLY KNEW ME
In pairs, take turns silently listening to each other for one minute. During that minute, you will finish off the sentence, "If you really knew me, you would know that...". Possible things to share would be about your family, school, favorite things, or anything else. After each sentence, the listener repeats it back, while adding the new bit of information they learned about that person.

SEL MORNING MEETINGS

Morning Messages

The classroom meeting ends with a morning message. Write a short message that let's kids know what to expect for the day, as well as the date. Read it to them or together at the end of the meeting as a way of transitioning to the next activity.

SEL MORNING MEETINGS

Background

The mind+heart SEL Morning Meeting resource aligns to the CASEL framework of the 5 core competencies for SEL (self-awareness, self-management, responsible decision making, social awareness, and relationship skills), as well as other state SEL initiatives. It also follows the Responsive Classroom organization of a morning meeting with a greeting, sharing, group activity, and morning message.

The ultimate goal of this resource is to help teachers incorporate SEL into the classroom during short chunks of available time. With the low-prep format of this resource, teachers can easily post and flip through the daily slides that will guide and lead the classroom meeting seamlessly and effectively.

Through a daily classroom meeting, the classroom environment will be enhanced, relationships will develop, and community will grow. Daily classroom meetings can and will dramatically change the climate of your classroom for the better! Children will connect with and learn about peers and develop social skills, while openly sharing about themselves and developing self-awareness at the same time.
