LESSONS

There is a detailed lesson plan for each book with "Book Chat" cards and questions to guide your discussion before, during, and after reading. An interactive anchor chart and writing activity are included that focus on the social-emotional skill presented in the book and encourage children to express their thinking. This is an excellent way to incorporate social-emotional learning into your ELA block each week!

ACTIVITIES

Each book comes with 4 follow-up activities to build upon the book's social-emotional lesson. A fun variety of activities are included for independent, partner, and small group use. These high-interest activities are a great way to extend the book's discussion and build the social-emotional skills kids need!

USE WITH GOOGLE

This book companion comes with a digital anchor chart, writing template, and a few digital activities. These are ready in Google Slides for use in Google Classroom. The digital pages are great for use whole-group lessons and in a one-to-one classroom!
