ALPHABET DRAW

Why You Need This Resource

- This resource has everything you need to teach your students the letters of the alphabet and how to draw at the same time.
- Children learn to draw a variety of kid-friendly pictures while building fine motor skills and using their creativity.
- Kids will practice printing letters from the alphabet in fun ways!
- Build writing skills with the different writing page options.
- Many options and templates make this a resource easy to differentiate to meet all your student's needs.
- This versatile resource can be used in many ways: as a classroom center, whole group lessons, fast finisher activity, or any time you want a kid-preferred activity!

Draw a house

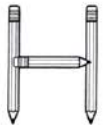

1 Draw a rectangle

4 Finish the window

"My students LOVE this resource. We pair the directed drawings with the letters we are learning about and it is a great way for them to practice following directions, correct pencil grip, shape knowledge, and letter sounds!

H is for house
