Chelsea S. 

"We loved this calendar for our parent's Christmas gifts. They were easy to do, didn't cost much at all, and my students were super proud of their work. I can't wait to do them again this year! Thank you!"

Sherri H.

"This resource practically manages itself! Once I taught the class what to do with the directions, they took off at their own pace throughout the school year. This was a wonderful "when you're done with your work" activity and the kids really enjoyed it. Thank you!"
