Mindful MATH

Kindergarten Math Journals

After a math lesson, provide each student with a math journal prompt to review the concept taught. Have students complete the math journal prompt independently and show their work and understanding in a notebook. No more coming up with engaging prompts; these are done for you!

Trace and say each number.
Draw that many tally marks
beside each number.

Draw hops on the number line to add the numbers. Record answer.

$$4 + 4 =$$

$$6 + 4 =$$

$$3 + 5 =$$
