Greetings

The classroom meeting begins with a greeting. The class greets each other briefly, in a friendly way. Each greeting brings us the class together into a circle. This is a quick way to connect and foster community!

SEL MORNING MEETINGS

Sharing

The classroom meeting continues with sharing. The class reads the question or directions provided. This is a time to share thoughts and opinions openly, while listening respectfully. This is a nice way for everyone to get to know each other better!

SEL MORNING MEETINGS

Activities

The classroom meeting continues with an activity. These are short, energetic activities that get the class moving their bodies and playing as one. The activities bring everyone together to play games, move, act, dance, work together, and have fun!

SEL MORNING MEETINGS

Morning Messages

The classroom meeting ends with a morning message. Write a short message that let's kids know what to expect for the day, as well as the date. Read it to them or together at the end of the meeting as a way of transitioning to the next activity.

SEL MORNING MEETINGS

Background

The mind+heart SEL Morning Meeting resource aligns to the CASEL framework of the 5 core competencies for SEL (self-awareness, self-management, responsible decision making, social awareness, and relationship skills), as well as other state SEL initiatives. It also follows the Responsive Classroom organization of a morning meeting with a greeting, sharing, group activity, and morning message.

The ultimate goal of this resource is to help teachers incorporate SEL into the classroom during short chunks of available time. With the low-prep format of this resource, teachers can easily post and flip through the daily slides that will guide and lead the classroom meeting seamlessly and effectively.

Through a daily classroom meeting, the classroom environment will be enhanced, relationships will develop, and community will grow. Daily classroom meetings can and will dramatically change the climate of your classroom for the better! Children will connect with and learn about peers and develop social skills, while openly sharing about themselves and developing self-awareness at the same time.
