### Discussion Cards & Challenges

Discussions are a great warm-up to your SEL block or morning meeting. The included discussion cards (questions and scenarios) provide a valuable way to engage kids and have them reflect and respond. Lesson challenges encourage kids to take action. No more coming up with engaging prompts and challenges; these are done for you!

### **Anchor Chart & Posters**

Anchor chart materials are included for every lesson in this unit. The lesson plan clearly explains how to use it to support the main lesson. They are helpful to organize your lesson and as a visual for students. Simply print the anchor chart pieces and attach to your poster to get started!

### Support Materials

Support materials, such as bulletin boards and student tools, are included in this unit. They help children grasp the lesson and build important social-emotional skills. Create and use the tools as needed during your lessons and after to support your students.

### Writing Activities & Journal

Writing activities and a reflection journal are included to emphasize the lesson topics. Kids will enjoy reflecting on the lessons and books read, and writing about the important topics. You will have differentiated writing templates and journal pages to use and meet your students needs. Just print and go to implement the writing activities quickly and easily!

#### **Activities & Games**

There are a variety of follow-up activities included for every lesson. These fun and engaging activities encourage students to build the important social-emotional skills taught in the lesson. There are independent, small group, and partner activities included, such as games, sorting activities, and role play scenario cards.

### BONUS: Family Partnership Guide

Connect with and encourage families to take part in the socialemotional learning development of their child and the concepts you are teaching at school. This unit includes a printable guide with a letter to families, strategies and activities they can try at home, and a book guide with video links. Send it home before your unit begins. They will thank you!

Proud to Be Primary

The mind+heart social and emotional learning curriculum was designed to help teachers instruct young children to develop emotional literacy, self-control, and social competence. The ultimate goal is for primary aged children to develop a healthy sense of self and positive peer relations, that will continue throughout their lives. Children will learn to express their emotions appropriately, solve problems, develop a "growth mindset", build relationships, and be thoughtful citizens who take responsibility and show respect.

mind+heart includes a variety of thought provoking lessons and discussions, community building ideas, and engaging activities to help build important social and emotional skills. Children will have many opportunities to learn, practice, and develop SEL through a variety of lessons and activities. Teachers are provided with all lesson materials, instructions, and a layout that is simple and easy to implement. mind+heart is a flexible SEL curriculum that can be taught when teachers have time, while the recommendation is to teach a lesson once to twice or more a week.

mind+heart is research based and loosely aligns to the CASEL framework of the 5 core competences for SEL. It provides educators with an affordable option that is comprehensive and appropriate for the K-2 classroom.
