Scenario Task Cards

Role playing is a wonderful way to get kids immersed in different potential social and emotional situations. The scenarios in this set are geared either for K-2 or grade 3-5 kids, and are perfect to use in the classroom or counselling session. Each set includes suggested directions, but the task cards are versatile and can be used as you see fit. For example, use to guide discussions, as a brain break activity, or as a morning meeting activity.
