Ice cream is a cold treat made from frozen cream and flavoring. Ice cream comes in many different flavors like vanilla and chocolate. There are also flavors with things mixed in like cookies or candy. Ice cream can be eaten in a cone or in a bowl. People also like to top their ice cream with syrups and sprinkles.

Penguin's Problem

Perry Penguin was a little bird growing up on the ice. He loved being a penguin but did not think the cold was nice. He often told his mom that he wanted to move away. He wanted to live somewhere warm where he could play all day. His mom knew exactly what to do. She made him a hat and scarf to warm him up and make him feel less blue.
