Allergen Statement

Everest Formulations handles each of the Major 8 as defined by the FDA allergens in the facility. These are milk, eggs, fish, crustacean/shellfish, tree nuts, peanuts, wheat, and soy. While Everest Formulations does not have dedicated lines or facilities for allergen products, effective procedures are in place to prevent cross-contamination of the products.

Products:

GoHydrate (Grape), GoHydrate (Kiwi Strawberry), GoHydrate (Fruit Punch), GoHydrate (Orange),
GoHydrate (Lemon Lime)
