Verity Extensions Home Care

WE HOPE YOU LOVE THE NEW YOU! TAKE A SELFIE, POST IT AND DON'T FORGET TO TAG @VERITYHAIRINC AND YOUR STYLIST!

WHEN YOU LEAVE THE SALON PLEASE FOLLOW THESE INSTRUCTIONS TO ENSURE YOU MAINTAIN THE LIFE OF YOUR EXTENSIONS, QUALITY, AND 6 MONTHS WARRANTY! USE OF NON-RECOMMENDED PRODUCTS, SUNSCREENS (CONTAINING AZOBENZENE), ANY TANNING SOLUTIONS AND EXCESSIVE TANGLING OR NEGLIGENCE TO THE HAIR WILL VOID YOUR WARRANTY.

WAIT AT LEAST 48 HOURS BEFORE WETTING OR WASHING YOUR HAIR, WE KNOW YOU WANT TO TRY YOUR VERITY PRODUCTS BUT YOUR TABS ARE STILL SETTING.

BRUSH 2X A DAY TO PREVENT TANGLES. BRUSH IN SECTIONS TO PREVENT TANGLES IN THE NAPE AREA; IF YOU FEEL TANGLES YOU CAN'T RELEASE CALL YOUR STYLIST FOR SUPPORT.

AVOID PRODUCTS CONTAINING ALCOHOL, SALT, OR OIL AT THE ROOT. THESE WEAKEN YOUR TABS AND REDUCE LONGEVITY OF THE HAIR. YOU WILL LOVE THE MOISTURE AND SHINE OF THE VERITY OIL BUT WITH EXTENSIONS ITS BEST APPLIED MIDS AND ENDS.

CLEAN & CONDITION

STEP 1: BEFORE WASHING, BRUSH GENTLY WORKING FROM ENDS TO ROOT WITH YOUR VERITY DETANGLING BOAR BRUSH (BRUSH WHILE HOLDING THE WEFT OR TAB TO PREVENT ANY PULLING)

STEP 2: WASH AND CONDITION WITH YOUR RECOMMENDED VERITY SHAMPOO AND CONDITIONER. KEEPING CONDITIONER AWAY FROM TABS, OUR SHAMPOO IS ENOUGH FOR YOUR ROOTS.

STEP 3: AFTER RINSING THOROUGHLY, TOWEL DRY. SPRAY IN VERITY LEAVE IN CONDITIONER, AND APPLY HAIR OIL AT YOUR ENDS AND BRUSH GENTLY FROM ENDS TO ROOTS.

VERITY PRO TIPS

1. SLEEP WITH DRY HAIR TIED IN A SOFT BRAID, PONY, OR TOP KNOT. SLEEPING WITH WET HAIR CAN CAUSE TANGLES AND MATTING
2. ALWAYS USE THE DETANGLING BOAR BRUSH ON DRY HAIR AND THE NYLON BRISTLE ON WET
3. DRY SHAMPOO IS YOUR BEST FRIEND. WITH EXTENSIONS WASHING LESS IS ALWAYS A GOOD IDEA

SWIM, SUN, & SWEAT

1. BEFORE ANY OF THESE ACTIVITIES LIGHTLY MIST MIDS AND ENDS WITH VERITY LEAVE IN CONDITIONER TO PREVENT DISCOLORATION FROM CHLORINE, SALT, OR OTHER CHEMICALS.
2. AVOID GETTING ANY SPRAY SUNSCREEN OR TANNING SOLUTION ON EXTENSIONS AS IT WILL CAUSE DISCOLORATION OF THE HAIR. USE A MINERAL SUNSCREEN WITH NO AZOBENZENE. (REC. BLUE LIZARD SENSITIVE SUNSCREEN)
3. AFTER SWIMMING OR SWEATING, WASH AS DIRECTED ABOVE IN THE CLEAN & CONDITION SECTION
