Nature Mayky

Gather:

- · Cardboard or thick paper
- Twine
- Double-sided tape (use glue if you don't have the tape)
- Leaves and flowers (fresh or dried)
- Scissors
- Hole punch
- Glue

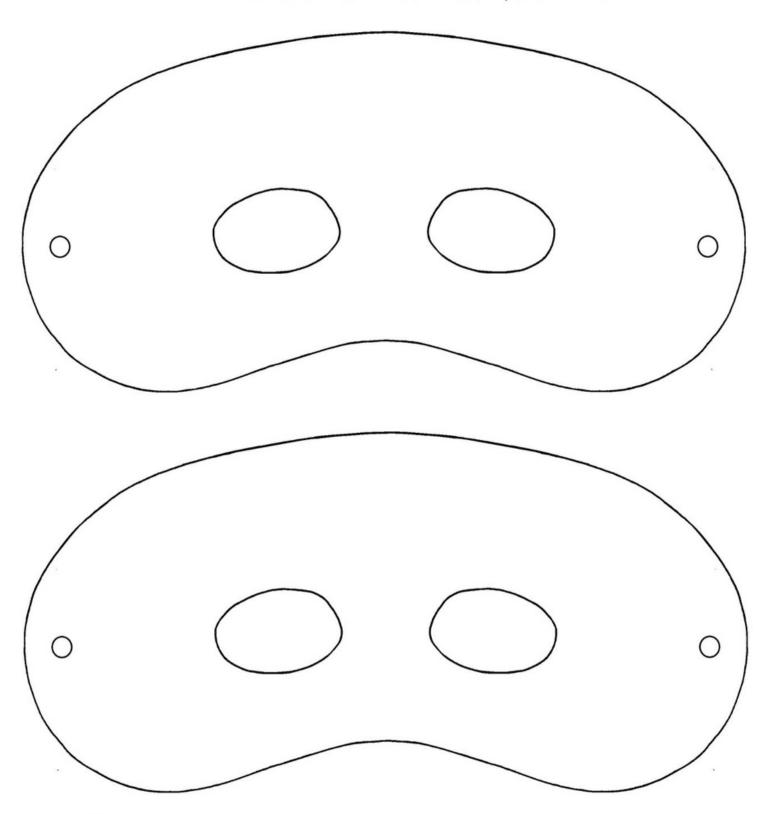

Create:

- 1. Print and cut out our mask template.
- 2. Use a hole bunch for the side holes.
- 3. Apply glue on the mask and decorate with flowers and leaves
- 4. Allow glue to dry
- 5. Tie a piece of twine either side of the mask to tie together at the back when being worn.

NATURE MASK TEMPLATE

- 1. Cut out your masks.
- 2. Apply glue and decorate with nature. Allow to dry.
- 3. Tie a strand of twine either side of the mask to tie together at the back of the head.
