

KETOVITA™ is a deliciously easy way to enjoy the benefits of patented goBHB® exogenous ketones along with 8 essential vitamins + electrolytes. Ketones are the naturally-occurring by-product of fat metabolism and offer a unique source of energy for the body.

Ketones can help support a state of ketosis, where fat is used as the body's primary source of energy. Ketones can also enhance cognitive function, reduce inflammation and help hormone balance to control blood sugar and appetite.

KETOVITA™ can be used *by anyone* as desired throughout the day for an energy or mental boost, or added to your workout supplements for enhanced performance and endurance.

Take 1-2 servings daily or as needed to alleviate symptoms related to transitioning into nutritional ketosis, improve energy or mental clarity.

Medicinal Ingredients / Ingrédients médicinaux

Serving size/Portion: 1 scoop/mesure (7.6 g) / Servings per Container/Portions par contenant: 30

	Amount Per 1 Scoop Teneur par portion	2 Scoop Daily Serving 2 mesures	% DV % VQ
