FOR AGRICULTURAL USE:

HERBICIDAL SOAP:

Active ingredient: Ammoniated Soap of Fatty Acids 200g / ℓ

Registration No. L6959 Act No. 36 of 1947

EPA № 67702 USA

This is a fast acting, non-selective herbicide that controls common annual weeds. Will also control algae and moss on and around driveways and patios. Best results are obtained with young, actively growing weeds, less than 12cm in size.

WARNINGS:

Avoid contact with eyes and skin. Irritating to eyes.

Prolonged skin contact may cause allergic reaction in some individuals.

Keep out reach of children, uninformed persons and animals.

PRECAUTIONS:

Do not eat, drink or smoke while handling this product.

Prevent contamination of food or feeds, drinking water and eating utensils.

Wash yourself after use or accidental skin contact.

In case of eye contact wash eyes with plenty of running water.

Do not re-use container.

DIRECTION FOR USE:

Shake well before use.

Avoid spray drift onto other plants.

Thoroughly wash equipment after use.

Areas can be re-sown five days after treatment.

Any standard hand held or backpack sprayer can be used.

Spray weeds to point of run-off.

Plant damage will be visible from within a few hours to 2 days after spraying.

Repeat sprays may be necessary to control weeds germinating from seed.

If rain falls within 3 hours of application, an additional spray may be required.

Home and Garden:

Annual Weeds.

Dosage:

200ml / 1 ℓ water

WARRANTY:

Although this remedy has been extensively tested under a large variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by factors such as abnormal climatic and storage conditions, soil moisture, quality of dilution water, compatibility with other substances not indicated on the label and the occurrence of resistance of a pest against the remedy concerned as well as by the method, time and accuracy of application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or for lack of performance of the remedy concerned due to failure of the user to follow the label instructions or to the occurrence of conditions which could not have been foreseen in terms of the registration. Consult the supplier in the event of any uncertainty.
