FOR AGRICULTURAL USE:

VEGOL: Active Ingredient: Canola Oil 960 g / ℓ

Registration No. L7061 Act No. 36 of 1947

This product is a contact insecticide with ovicidal activity that can be used in both the dormant and growing seasons.

WARNINGS:

Avoid contact with eyes, skin and clothing.

Harmful if swallowed, ingestion may irritate the digestive tract.

Keep out of reach of children and uninformed persons.

Store this product in its original container, in a cool, dry place, away from foodstuffs and feedstuffs.

PRECAUTIONS:

Wash with soap and water after handling.

Do not eat, drink or smoke while applying.

Do not contaminate water, food or feed by disposal.

Do not re-use container.

Rinse empty container three times with a volume of water equal to a minimum of 10 % of that of the container. Add the rinsing to the contents of the spray tank.

DIRECTIONS FOR USE: (use only as directed).

Mixing instructions:

Shake well before use.

Add sufficient water to tank and then add Vegol, continue with agitation while adding additional water.

Spray solution should be used within several hours of preparation.

Vegol is suitable for indoor and outdoor use.

COMPATIBILITY:

Vegol has been found to be compatible with most commonly used insecticides.

Physical compatibility should first be checked by mixing the products in the recommended dosages in a small jar test.

Then test the tank mix combinations for phytotoxicity on a sample of crops prior to use.

Do not mix with sulphur or copper compounds.

Do not apply in temperatures above 30 °C.

Ensure thorough wetting of the plant.

CROP	PESTS	DOSAGE	DIRECTIONS FOR APPLICATION
Ornamentals	Aphid Mealy Bug	200 ml / 10 ℓ	Apply as a full cover spray. Ensure wetting of both top and underside of leaf. Repeat treatment as
Vegetables			Necessary. Established infestations will require
