

PRODUCT DATA SHEET

All Rounder Tool Belt SKU: TMAR

Description

The All Rounder tool belt is a comfortable option that doesn't have built in back support. It is better suited for carrying lighter weight and fewer tools. The upperbelt is fully adjustable to support tool pouches or frogs and fastens with a heavy duty buckle.

Information

1. Best suited for carrying lighter weight and fewer tools.
2. Weighs approx 1kg.
3. The single upper belt strap allows you to add on tool holders and pouches.
4. This belt is fastened with a heavy duty double tongue buckle.
