BUCKAROO

MADE IN AUSTRALIA EST. 1971

Description

This is our very new and extremely renovated Sparky Bag. We've developed this bag in collaboration with our skilled sparkies. Mixed tools, mixed reviews, mixed areas of expertise, all with a common goal – organisation onsite. This bag covers all you'll need to carry as a residential, commercial or industrial sparky at work today. It is comfortable wearing and allows for easy access with allocated space for all your carrying load needs. This Electrician Tool Bag will have you packed and loaded for any job without having to run back and forth from the van/ truck. Catering for an entry level apprentice through to the most experienced Electrician, we've got your tool carrying solutions covered.
