

# Slim Series

The Slim Series is a straightforward and cost-effective table solution.

The size is highly customisable making it suitable for a meeting or dining table. Also available with lockable castors for increased flexibility.

The stainless steel frame is available in stainless steel, marine grade stainless for outdoor use and powder coated in Koskela powder coat colours. Various top finishes are available.

## MATERIALS

The base is made of tubular steel that can be powder coated or electroplated.

For the top, choose from the following:

- Laminate: White, Compact White
- Veneer: American Oak, White Ash, Birch

Custom laminates and veneers are available for an extra charge.
