## STEAMING & CARE

---

Dear Buyer,

Thank you for your Recent Purchase! Your item may not appear at your best upon receipt. we would like to suggest a touch of steam may go along way and fluff up your beautiful purchase.

Kindly Give them a bit of steam for optimum appearance.

The steam must be held minimum 4 inches away from the fur and you should not hold the steam on the same spot for a prolonged time. Constantly move the steam around. Do Not steam Chinchilla and Sable .

Once you do that the fur will become fluffy.
