NiteSafe™
Eye Light

Instruction Manual

Model: XL20723

Please read these instructions carefully before connecting
or using the appliance. Keep for future reference.

Important Information

When using electrical appliances, in order to reduce the risk of fire, electric shock, and/or injury to persons, basic safety precautions should always be followed.

For your safety...

Read all instructions carefully, even if you are familiar with the appliance.

Do not use this appliance/charger if it appears to be damaged

Do not look directly into the light source or point it into the eyes of others. This can lead to retinal damage.

This appliance is not watertight and is unsuitable for use in damp environments.

This is not a toy. Close attention is necessary when used near children.

Do not immerse the appliance in water or any other liquid.

Do not operate if the appliance has malfunctioned or been damaged in any manner.

Do not allow children to play with the packaging materials.
