Xtralite LED Desk Magnifier Lamp

Instruction Manual
Model: XL20804

Please read these instructions carefully before connecting
or using the appliance. Keep for future reference.

Important Information

When using electrical appliances, in order to reduce the risk of fire, electric shock, and/or injury to persons, basic safety precautions should always be followed.

For your safety...

Read all instructions carefully, even if you are familiar with the appliance.

Do not use if it appears to be damaged

Do not look directly into the light source or point it into the eyes of others. This can lead to retinal damage.

Do not use in damp or dusty environment.

Do not use solvents, abrasives, or aerosol cleaners to clean the appliance; discolouring or damage may occur.

If you are not using the appliance for an extended period of time, unplug the power supply plug from the outlet.

Do not remove the cover or modify in any way. High voltages can cause fire or electric shocks.

Do not place near hot object or in direct sunlight.

Do not use the appliance if the power adaptor is damaged.

Do not use near flammable objects or materials.

This is not a toy. Close attention is necessary when used near children.

Do not handle the power adaptor with wet hands.

Do not immerse the appliance or adaptor in water or any other liquid.

Do not allow children to play with the packaging materials.

Only use indoors.

LED Light:

The Xtralite LED Desk Magnifier Lamp boasts a powerful 490 lumen, LED light that can be switched between warm, daylight or cool colour temperatures and low, medium and high light outputs.

Touch Sensitive Buttons:

A simple ON/OFF touch sensitive button is used along with the colour temperature and brightness settings.

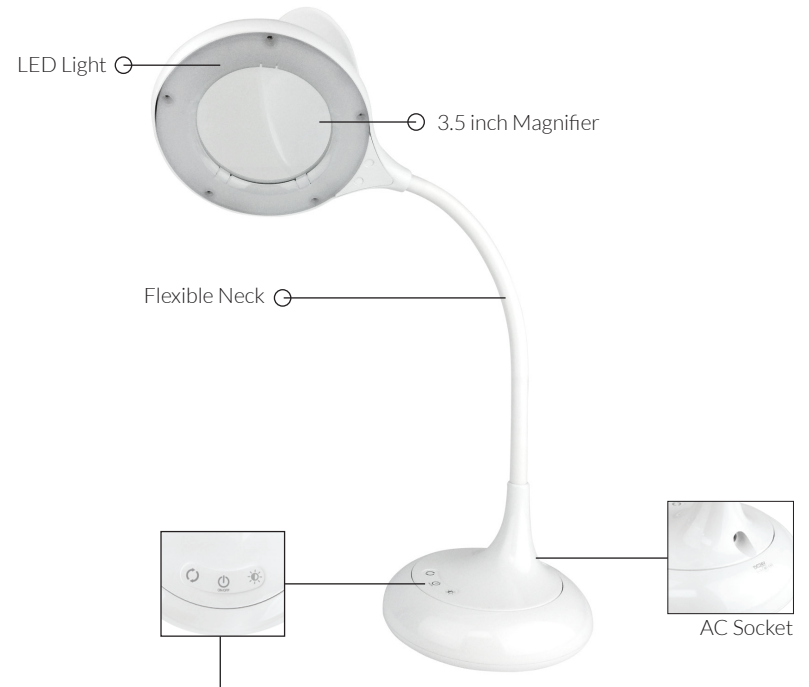

Magnifier:

The lamp comes equipped with a 3.5 inch magnifier that magnifies up to 3x.
