

ABSOLUTELY

ABSOLUTELY is a heavy-duty, concentrated, low foaming degreaser designed for the removal of industrial soils, soot, grime and carbon. Formulated as a water-based solution, ABSOLUTELY contains organic solvents with a distinctive clear purple colour and is perfectly suited for industrial and marine applications.

APPLICATION:

VEHICLES: Excellent results are easily obtained when utilising ABSOLUTELY for cleaning chassis, wheels/rims, and exhaust marks. The product is well suited for most

vehicles metal work, however due to the alkaline nature ABSOLUTELY is not recommended for use on painted surfaces, light alloys or aluminium surfaces.

BOATS: Predominately used as a heavy-duty deck cleaner. Ideal for removing excess grease, oil, exhaust stains/slot and general grime found in and around bilges and engine rooms.

PRESSURE WASHERS: Works extremely well at low dilutions for cleaning pavers, driveways or anywhere around the home heavily soiling is present.

STORAGE & SHELF LIFE:

Twelve months when stored in unopened, original containers. Storage area should be not exposed to extreme temperatures.

Do not expose to direct sunlight in storage.

QUICK USE DILUTIONS:

GENERAL CLEANING: Dilute 1:40 with water. Allow dwell time before light agitation/scrubbing then rinse.

DEGREASING: Dilute 1:5 parts Kerosene. Allow adequate dwell time before light agitation/scrubbing then rinse.

CARBON & EXHAUST STAINS: Dilute ABSOLUTELY 1:1 with water. Brush and/or spray on before allowing a dwell time of 3-5 minutes. Wipe or hose excess product from the surface and rinse thoroughly.

HEALTH & SAFETY: Refer to product label. Material Safety Data Sheet available upon request.

PRODUCT AVAILABILITY

1L, 5L, 20L & 200L drums.

KEY PROPERTIES

- Non-flammable, & Non-DG for ease of transport.
- Quick break emulsifier to assist with grease, oil & fat suspension.
- Highly concentrated water-based formulation.
- Suitable for dilution with water and a select number of solvents as a built solution.
