

TECHNICAL BULLETIN

CITRA BURST

CITRA BURST is an organic based industrial cleaner considered to be non-hazardous and non-flammable. Formulated and boosted with trace amounts of d-limonene, a naturally occurring solvent derived from orange peels, CITRA BURST is excellent for removing fat, grease, vegetable oils and carbon whilst leaving a natural long-lasting citrus odour.

APPLICATION:
GENERAL PURPOSE SPRAY & WIPE:
Dilute 1:40 parts water.
DEGREASER (HEAVY SOILING): Including motorcycles, tractors, trucks. For heavy engine soil removal Dilute 1:5 and allow a dwell time of 5-10 minutes. **DEGREASER (MEDIUM SOILING):** For lightly greasy areas dilute Citra Burst at 1:10 parts water.
COMMERCIAL APPLICATIONS: For removal of light grease around commercial kitchens, bathrooms, and other high traffic areas dilute Citra Burst at 1:60 parts water.

STORAGE & SHELF LIFE:
Twelve months when stored in unopened, original containers. Storage area should be not exposed to extreme temperatures. Do not expose to direct sunlight in storage.

QUICK USE DILUTIONS:
HEAVY DEGREASING: Dilute 1:5 parts water. Allow adequate dwell time before light agitation/scrubbing then rinse.
MOPPING/DOMESTIC CLEANING: Dilute CITRA BURSTS 1:50 with water. Brush and/or spray on before allowing a dwell time of 3-5 minutes. Wipe or hose excess product from the surface and rinse thoroughly.
DOMESTIC DEGREASING: Dilute 1:9 parts with water for cleaning around stoves, hotplates or areas of heavy grime build up.

HEALTH & SAFETY: Refer to product label. Material Safety Data Sheet available upon request.

PRODUCT AVAILABILITY

1L, 5L, 20L & 200L drums.

KEY PROPERTIES

- Non-flammable, & Non-DG for ease of transport.
- Non-caustic. Harmless to paint, laminates, tiles, timber, alloys & metal surfaces.
- pH neutral.
- Quick break emulsifier to assist with grease, oil & fat suspension.
- Built with trace amounts of natural citrus oil for a long lasting fresh odour.
