Directions: The Easter bunny lost all its eggs! Help the bunny find its eggs by stamping or drawing the correct number of eggs in each box below.

Find 3 yellow eggs, 1 red egg, and 1 orange egg. How many eggs are there in total?

The image shows a large rectangular box with a solid black border. Inside the box, there are five dotted egg shapes arranged in two rows: three in the top row and two in the bottom row. In the bottom right corner of the box, there is a small, simple line drawing of a white bunny sitting down, facing left. The bunny has long ears, whiskers, and a small tuft of hair on its back.
