

solo®

THE BETTER CHOICE. SINCE 1948.
German quality sprayers and cut-off machines

Product Information Battery Handheld Sprayer 460 Li

The SOLO battery hand sprayer 460 Li is a practical and universal helper in garden and household. Without annoying pumping the small but powerful electric pump provides the spraying liquid. And that for up to 60 minutes without a charging break.

Operational advantages

- Suitable for use with all approved plant protection chemicals and liquid fertilizers.
- Transparent and stable container with 1-litre filling volume. Easy indication of the content level.
- The flexible internal suction hose ensures a complete emptying of the tank and also makes over-the-head spraying possible.
- The universal nozzle is continuously adjustable from fine dust to a string jet.
- Ergonomically shaped handle with smooth one button operation.
- Integrated lithium-ion battery for up to 60 minutes operation time.
- Easy charging at every USB-Port (charging cable included). Charging time approx. 90 minutes.

Charging cable for **USB**

Model	460 Li
Part no.	46001
Pump type	piston pump
Battery, Voltage/ Capacity	3,7 V / 1,4 Ah
Filling vollume	1 L
Nozzle	Adjustable, universal hollow cone nozzle
Output volume with standard nozzle	0,33 l / min.
Suction Hose	Flexible, overhead-spraying possible
Operation time max.	approx. 60 min.
Charging time	approx. 90 - 120 min.
Dry weight	0,3 kg
Standard delivery	USB charging cable
