

Tickle Lipo

An Incredible Innovation...

FDA approved Tickle Lipo is the very latest in fat removal and body sculpting. A minimally invasive procedure that takes 1 to 2 hours and delivers excellent clinical results safely and comfortably to patients. Body sculpting has never been so good! Dr. Best, along with our trained medical staff, invites you to visit us for a complimentary consultation.

The Advantages for Patients are:

- No general anesthesia
- Little or no discomfort
- Patient safety
- Permanent removal of fat cells
- Quick recovery period
- Superior Bodysculpting
- Convenient
- Affordable
- Easy

Meet Shaili Deveshwar, MD

Rheumatologist

“Dr. Deveshwar is my medical angel. Other doctors could not find why I was sick. She diagnosed my condition, prescribed drugs, and now I can do my favorite activities again.”

- David Surgeon, Jr.,
Polymyositis Patient

Dr. Deveshwar specializes in:

- All types of arthritis
- Autoimmune diseases
- Osteoporosis
