## *The Design Brief*

ScawlrBox provides subscribers with a monthly box of mystery art supplies. Inspiring artists of all abilities each month, with a new selection of creative tools.

As a subscriber you will already know, ScawlrBox is all about having fun and experimenting with art supplies! We're asking our lovely Scawlr Community, and beyond, to create an original design based around the theme of 'art' that includes the ScawlrBox logo in some way.

You can create your design the traditional way using an actual art medium or digitally, we don't mind.

Designs can be anything from visualisations of your favourite art supplies themselves, a character or even text, so long as they encapsulate your concept of what is known as art. We also ask that all designs include the ScawlrBox 'Scawl' logo - big or small we don't mind.

## Submission Format

Competition participants are asked to submit a monochrome or colour design on a white or clear background. All designs can include a maximum of five colours of your choice.

All designs should fit into the boundary box as shown in the t-shirt image on this page. As big or as small as you like, just so long as it is designed to fit inside of this area!

All submissions must be uploaded via the ScrawlBox website using the submission form here:

The form requires you use a .JPEG or .PNG file that is in a square format, no bigger than 600x600pixels and 2MB. Should your design be selected as a winner, we will need a high res printable .PDF, .AI or .EPS file in order to print your design.

Once submitted, your design will be shown in the Gallery, where people can vote for your design and you can vote for your favourites too.

You can enter as many times as you want, so long as it's your own design and you are entering for yourself.
