

SEAL-4-GOOD flange gaskets offer you a reusable blow proof gasket at an affordable price! The multi-layered "dead soft" aluminum is very malleable and conforms to your flange again and again. SEAL-4-GOOD reusable flange gaskets can also be easily and precisely port matched for uninterrupted flow.

The BEST Gaskets on the Market!

Constructed of "dead soft" aluminum

100% Reusable

Multiple layers conform to header flanges and small imperfections that copper gaskets simply cannot

Port matched to create the ultimate seal for uninterrupted flow

Will not blow out or burn out

Available for Chevrolet, GM, Ford, Chrysler/Dodge, applications and more.

Collector gaskets are available in 2.5", 3.0", and 3.5" diameters

To determine the proper fitment for your application, compare Seal-4-Good listed dimensions against your header port dimensions as header brands will vary.
