Few things are as captivating as watching the flame of a burning candle. The rich reds and oranges soften the wax, giving way to the fragrances hidden inside. Candles infuse fragrance into our lives and have the ability to improve our mental wellbeing. Their scents can have a positive effect on our mood, stress level, and can ease us into a more relaxing sleep.

Pick out your favorite candle, strike up a match and relax in its aroma.

1. Aerin's Buckhorn Amber: Inspired by the exhilarating Buckhorn ski run in Aspen, this candle's fragrance is an ode to the landscape, with the aroma of rich, woody amber layered with Sandalwood and lifted with a luminous floral note of orchid. | \$60 | aerin.com **2. Cali Vibes High Tide:** Immerse yourself in the aromas of waves crashing onto a rocky coastline with a storm brewing in the distance. High Tide evokes the churn of the sea, wrapping the water, sand, and salt together into a clean and ozonic scent. | \$10-\$20 | calivibescandleco.com **3. Candlecan:** That wow moment when you open this Cinnamon Blackberry candle. A texture so inviting to the touch that you almost have to light it to keep from rubbing it all the time. You wish you could eat, but please don't. Indulge in aromas. | \$27 | us.54celsius.com **4. The Spa Girl Life Creativity Magnet:** Accompanied by 2 Botswana Agate Crystals, breath in the soothing scents of clean cotton, lily of the valley, and hyacinth. Elevate your senses and be transported away to a place of abundant creativity. Paired with a guided meditation to help nourish your soul. | \$39.95 | thespagirl.life **5. Aubert and Amandine CALM:** Contrary to popular belief, lavender is not sedating, but balancing. Lift yourself up (or dial things down) with the fresh scents of lavender and vanilla. Made with natural soy wax that is free of harmful toxins. | \$24.97 | amazon.com **6. Fernweh Pacific Islands:** This White Sand Beach Candle explores scents inspired by the lush tropical islands of the Pacific. White Sand Beach is a day at a sunny shore — a tranquil blend of orange blossom, lavender, jasmine, rose and a base note of musk. | \$55 | fernweh.editions.com **7. The Trapp Signature Home Collection:** No. 72 Amalfi Citron Candle is a blend of sparkling citrus and sun-warmed tropical fruits paired with champagne. The notes capture the spirit of the breathtaking Amalfi Coast — famous for cultivating citrus fruits atop terraced seaside gardens. | \$32 | design-33.store **8. Bath & Body Works:** Leaves ushers Fall into the air with this three-wick candle. Fragrance filled with Crisp Red Apple, Golden Nectar, Warm Clove Spice with Essential Oils you'll want to wrap up in a cozy sweater and enjoy the season. | \$24.50 | bathandbodyworks.com **9. LAKE Candles:** A hand-poured soy candle made here in Kansas City, the Royal Romance scent is the essence of Royalty. A strong romantic scent includes a splash of musk, woods and feminine florals making it perfect to burn day and night. | \$29 | madeinkc.com **10. NOMAD Getaway Collection:** North Shore vegan soy scented candle surrounds you with a fresh beach scent, like a clear sunshine-filled day on the eastern shore as mandarin and lemon mingle with bergamot for a complex yet subtle spring and summer scent. | \$24 | nomadhome.co **11. Sea Pines Candle & Agate Coaster:** From the rocky coast of Maine to the shores of California, pines release a fresh crisp scent that will awaken your senses. Perfect for everyday, but especially the holidays. Sea Pines will bring the outside in and stay for a nice visit. | \$48 | mersea.com **12. Tyler Candle Company COWBOY:** This candle is nearly decadent in its sensuality, loaded with the rugged aroma of leather. Grab your Western romance novel and pour a glass of wine and your scene is set. Three sizes available — 3.4 oz, 11 oz and 22 oz. | Starting at \$7.50 | amhomefurnishings.com **13. Rich Mess Scented Candle:** Baby, it's cold outside but inside it's lit with the newest addition to our favorite luxury scent collection. Featuring a double wick and burn time of up to 100 hours, this candle lives long and strong, so you can enjoy from sunset to sunrise. | \$125 | richmess.com
