### **Unique Christian Greeting Card Company**

He Speaks Today® cards have established a distinct position in the Christian greeting card industry. Gone are traditional greeting cards, note cards, and other stationery.

Card salutations do not speak the words "Happy Birthday" or "Happy Anniversary", instead they speak the words of Jesus Christ -- useful for any occasion. In addition, the greeting and note cards contain messages expounding on His words, attached Scripture Marks™ (Christian bookmarks) for referencing Biblical principles, and blank areas for note writing. The post cards are Scripture Marks™ in themselves, each mailable with an attached tassel. The children's cards are a must see. Each contains independent activities, and some feature mini-parental involvement projects and online expeditions.

Proceeds from sales are used to fund He Speak Today's missions arm – Sowing Gifts of the Heart™. Visit the web site for additional information -- <http://hespeakstoday.com>
