

NO MINIMUM ORDER QUANTITY | PERSONALISED | QUICK TURN AROUND | NO RISK OF OVER ORDERING OR EVER HAVING REDUNDANT STOCK

These are not words you usually see together when it comes to promotional items but we are throwing the rule book out of the window and re-imagining a world we call **'on demand'**.

This exciting new world allows you, the customer, to choose **any** of our **'on demand'** products, personalise it with a name, logo, picture or design, order one or more and have it delivered in just five **to seven working** days.

Customers are adapting this process to create reward packages for employees, welcome boxes for new recruits, moving-in boxes for new home owners - in fact they are being as creative as we were when we came up with this new way of thinking.

You could do the same - start now by having a look at some of the items we have produced for other customers and then start thinking how you could do something similar or even better. It really is simple but if you feel you need a guide or helping hand we are always happy to help, advise or inspire - call or email us today.

- NO MINIMUM ORDER QUANTITY
- BRANDING & PERSONALISATION AVAILABLE*
 - DELIVERY IN 5 7 WORKING DAYS*
 - NO RISK OF OVER ORDERING
