

*Hand Forged Men's Jewellery*

River

*These Special Edition Men's Bracelets are inspired by the 17th century warrior traditions of India when they were worn as protective talismans.*

*These Jewellery pieces also served as spiritual symbols of our infinite lives- connecting consciousness with no beginning or end.*

*These one of a kind heirloom pieces have been individually hand-formed in Stainless Steel and Brass using ancient hot forging techniques by skilled metal-smiths of Delhi.*
