## DOUBLE DELICIOUS

The audience will be sitting smack-bang in the middle of The Playhouse stage and will be served tastings of all the dishes cooked throughout the show.

## WINE OF THE WEEK

WITH RICHARD CROWLEY  
OF BARWON HEADS WINESTORE

Delicately carbonated and with more than 20 botanicals - many indigenous to the Great Ocean Road - this is an immensely sippable drink in a picnic basket friendly slimline can. A punchy blend, the gin flavours are upfront, with citrus and juniper mingling with savoury infusions of saltbush and indigenous eucalyptus. Great Ocean Road gin and tonic four pack, \$26 from Barwon Heads Winestore.
