

WASHING AND CARE INSTRUCTIONS

MACHINE-WASHABLE

100% COTTON RUGS · HANDMADE · NATURAL DYES

Wash separately at 30 degrees maximum.

Do not worry if fluff appears.

Use a gentle cycle and mild detergent, without bleach.

Sweep the rug with a stiff broom and use a vacuum cleaner regularly.

Tumble dry at low temperature. Do not leave the wet rug inside the washing machine.

If you find a long thread, cut it with scissors. Never pull it.

Avoid continuous exposure to the sun.

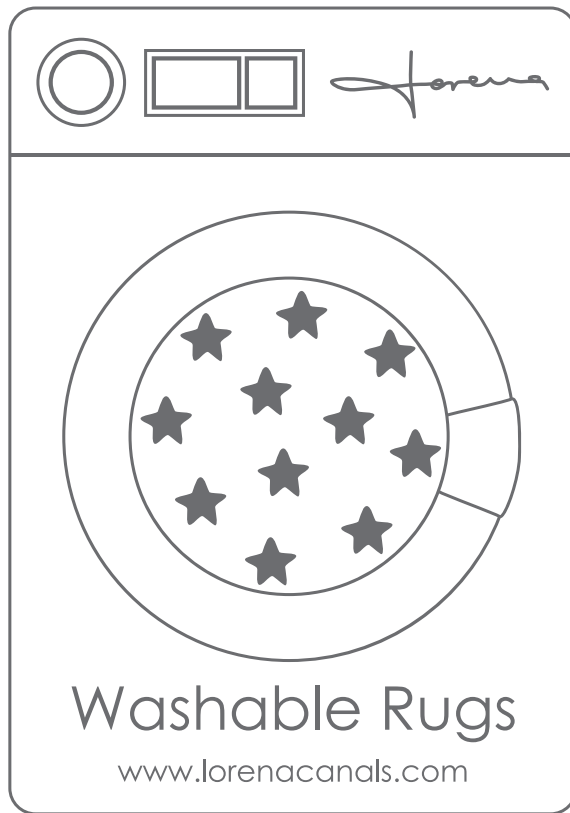

Enjoy the rug and let your kids get messy!

When rugs start to make sense

Thank you for trusting Lorena Canals.

Hang this card near to your washing machine to keep this rug as beautiful as the first time. Before using it, we recommend you put your rug in the dryer for 10 minutes to take out the wrinkles which formed while it was folded and shipped.
