

Premium Grain Cowhide MIG Glove

Premium grain cowhide offers maximum durability with sufficient dexterity for MIG welding applications.

25 Sizes: S, M, L, XL

KEVLAR® STITCHING
provides greater protection against sparks, with better abrasion resistance

UNLINED PALM
to maintain finger control

SEAMLESS INDEX FINGER®
for excellent trigger control

Targeted Applications & Industries

MIG gloves are characterized by their performance balance between protection and dexterity. High-quality cowhide, traditional shorter cuff, and unlined palm make this glove a premium choice for all MIG welding applications.

Kevlar® stitching provides greater protection against sparks, with better abrasion resistance and durability

Seamless index finger provides extra dexterity and finger control where it's needed most.
